

Brink's Increases Quarterly Dividend

May 7, 2021

RICHMOND, Va., May 07, 2021 (GLOBE NEWSWIRE) -- The board of directors of The Brink's Company (NYSE:BCO) today declared a regular quarterly dividend of 20 cents per share on the company's common stock, an increase of 33 percent from the previous quarterly dividend of 15 cents per share. The dividend is payable on June 1, 2021, to shareholders of record on May 17, 2021.

Doug Pertz, president and chief executive officer, said: "This dividend increase reflects our board's strong commitment to reviewing all options to create value for our shareholders. It also demonstrates our confidence in the continued successful execution of our strategy to drive revenue growth, margin expansion and growth in free cash flow."

Forward-Looking Statements

This release contains forward-looking information. Words such as "anticipate," "assume," "estimate," "expect," "target" "project," "predict," "intend," "plan," "believe," "potential," "may," "should" and similar expressions may identify forward-looking information. Forward-looking information in these materials includes, but is not limited to: statements about our strategies and initiatives and our expectations about our results of operations. Forward-looking information in this document is subject to known and unknown risks, uncertainties and contingencies, which are difficult to predict or quantify, and which could cause actual results, performance or achievements to differ materially from those that are anticipated.

Forward-looking information in this document is subject to known and unknown risks, uncertainties and contingencies, which are difficult to predict or quantify, and which could cause actual results, performance or achievements to differ materially from those that are anticipated. These risks, uncertainties and contingencies, many of which are beyond our control, include, but are not limited to: our ability to improve profitability and execute further cost and operational improvement and efficiencies in our core businesses; our ability to improve service levels and quality in our core businesses; market volatility and commodity price fluctuations; seasonality, pricing and other competitive industry factors; investment in information technology ("IT") and its impact on revenue and profit growth; our ability to maintain an effective IT infrastructure and safeguard confidential information; our ability to effectively develop and implement solutions for our customers; risks associated with operating in foreign countries, including changing political, labor and economic conditions, regulatory issues (including the imposition of international sanctions, including by the U.S. government), currency restrictions and devaluations, restrictions on and cost of repatriating earnings and capital, impact on the Company's financial results as a result of jurisdictions determined to be highly inflationary, and restrictive government actions, including nationalization; labor issues, including negotiations with organized labor and work stoppages; pandemics (including the ongoing COVID-19 pandemic and related impact to and restrictions on the actions of businesses and consumers, including suppliers and customers), acts of terrorism, strikes or other extraordinary events that negatively affect global or regional cash commerce; anticipated cash needs in light of our current liquidity position and the impact of COVID-19 on our liquidity; the strength of the U.S. dollar relative to foreign currencies and foreign currency exchange rates; our ability to identify, evaluate and complete acquisitions and other strategic transactions and to successfully integrate acquired companies; costs related to dispositions and product or market exits; our ability to obtain appropriate insurance coverage, positions taken by insurers relative to claims and the financial condition of insurers; safety and security performance and loss experience; employee and environmental liabilities in connection with former coal operations, including black lung claims; the impact of the Patient Protection and Affordable Care Act on legacy liabilities and ongoing operations; funding requirements, accounting treatment, and investment performance of our pension plans, the VEBA and other employee benefits; changes to estimated liabilities and assets in actuarial assumptions; the nature of hedging relationships and counterparty risk; access to the capital and credit markets; our ability to realize deferred tax assets; the outcome of pending and future claims, litigation, and administrative proceedings; public perception of our business, reputation and brand; changes in estimates and assumptions underlying critical accounting policies; the promulgation and adoption of new accounting standards, new government regulations and interpretation of existing standards and regulations.

This list of risks, uncertainties and contingencies is not intended to be exhaustive. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found under "Risk Factors" in Item 1A of our Annual Report on Form 10-K for the period ended December 31, 2020 and in our other public filings with the Securities and Exchange Commission, including our Quarterly Report on Form 10-Q for the period ended March 31, 2021. The forward-looking information included in this document is representative only as of the date of this document and The Brink's Company undertakes no obligation to update any information contained in this document.
