

Brink's Announces New \$750M Share Repurchase Authorization

December 11, 2025

RICHMOND, Va., Dec. 11, 2025 (GLOBE NEWSWIRE) -- The Brink's Company (NYSE:BCO), a leading global provider of cash and valuables management, digital retail solutions "DRS", and ATM managed services "AMS", today announced the authorization of a new share repurchase program.

Mark Eubanks, Brink's President and CEO said: "Supported by our track-record of consistent performance and our expectations for the coming years, our board has authorized a new share repurchase program representing more than 15% of our current market capitalization. The new upsized authorization aligns with our expected increase in free cash flow generation as we continue to execute our AMS/DRS growth strategy and diligently follow our capital allocation framework. We look forward to continuing the success of our broader shareholder return program that has retired over seven million shares and returned over \$725 million in capital through dividends and share repurchases since 2022."

The new \$750 million authorization was approved by the Brink's Board of Directors on December 10, 2025, and will expire on December 31, 2027. The new authorization is in addition to the previous \$500 million program which expires December 31, 2025.
